

Quality Tooling Redefined

Complete range of Dies & Die Nuts

- BSW, UNC, UNF & BSF
- BSP, BSPT & NPT
- BSB, ME & BA
- METRIC, COARSE AND FINE PITCH

**PRICE LIST EFFECTIVE
FROM 01-01-2023**

SEED

HSS External Threading Round Dies & Hex Nuts

NOTE:

-We will provide rates and supply customised round dies as per your dimensions and drawings.

ADVANTAGES - LAPPING

Lapping is a process of fine removal of material using emery compound in this process material

Thread Lapping on Round Dies are done primarily for bring thread closer to the required

Close to 20 to 25 micron material is removed from the flank of the threads to achieve required

Lapped Threads not only achieves tighter tolerance, but also produces superior quality threads

It also adds to the overall look of the Tool.

*“Products are made in the factory,
but brands are created in the mind”*
